

Timely Appointment....

Time Appointments are pleased to announce that Wayne De'Ath has joined their expanding team of Consultants at the Ipswich based office.

Wayne is the latest Consultant to join the company. He will be responsible for building his own client base and providing further support to the team. Wayne brings experience from a sales and client services background having worked for a local recruiter and insurance brokers, where he was responsible for maintaining existing client accounts, sales and renewable business.

Craig Dade Managing Director of Time Appointments said. "We are delighted to welcome Wayne to the team. He is used to working in a highly competitive sales environment and we believe his tenacity will bring him great success in his new role."
